TOC Conference 2012 Sponsor Prospectus

**"This conference really is the bleeding edge of the industry.
We're smarter just for having been in the building."**

—STEPHEN SOLOMON, ELEVEN LEARNING

O'Reilly's TOC Conference is where the publishing and tech industries converge, as practitioners and executives from both camps share what they've learned from their successes and failures, explore ideas, and join together to navigate publishing's ongoing transformation. TOC 2012 delivers a deft mix of the practical and the visionary to give attendees the tools and guidance they need to succeed—and the inspiration to lead change.

TOC is happening February 13–15, 2012, returning to the Marriott Marquis Times Square in New York City.

Expect a wide range of practical, in-depth sessions that cover the innovations rocking every aspect of the art, craft, and business of publishing in the 21st century. Sessions will be organized into three tracks:

- **Manage.** If you make key decisions or manage people or projects, you'll find sessions here to help you craft profitable business models and digital rights agreements, design mobile-driven strategies for data-rich content, hire train and manage 'hybrid' employees, apply agile technologies to traditional publishing, and more
- **Make.** If you are in product acquisitions, development, or production, or have a hand in crafting a product, these sessions will help you solve UX problems, embed video into eBooks or web pages, discover ground-breaking developments in digital typography for screen-based reading, build an EPUB 3 from start to finish, and more
- **Market.** If you are involved in any aspect of sales or marketing, these sessions will help you discover how consumers find books online, get real-time market intelligence and see how to use that data to market your products, capture and re-purpose customer data, optimize content rights and licensing, and more

Join over 1,700 publishing professionals, editors, developers, authors, agents, marketing executives, production managers, librarians, researchers, academics, and technologists who are passionate about books, and find out how technology is changing publishing forever.

TOC 2011 sponsors: Ingram Content Group, Qualcomm, codeMantra, Copia, iPublish, Aptara, Bowker, Connotate, HP, Jouve North America, LibreDigital, Malloy, MarkLogic, Random House, SPi Global, Sterling Commerce, Baker & Taylor, BookMasters Group, Constellation, GitHub, Jacquette Consulting, Mashery, Silverchair, Wolfram, and Smashwords

Two day Exhibit Hall: February 14–15, 2012, plus new this year: Opening Night Reception on Monday evening February 13th.

TOC has consistently sold out for the past five years and interest in this event continues to grow. Sponsor and exhibitor opportunities are limited—secure your package soon for optimal visibility.

ASSIGNMENT OF SPACE: O'Reilly shall assign the booth, display and/or tabletop space as agreed to under this Agreement for the period of the display and such assignment will generally be made no later than four weeks before the Event. Location assignments will be on a first-come, first-served basis, may be modified by O'Reilly due to changes in Event layout, venue or other factors, and will be made solely at the discretion of O'Reilly.

USE OF SPACE: Company is allowed to distribute literature, run demonstrations, and sell products, limited to items other than books, within the boundaries of the Company's assigned space. Company's product demonstration, placement or handing out of literature, signage, all booth furnishings and lighting must be well within the confines of the assigned space at all times and may in no way interfere with adjacent space. Demonstrations using audio must use headsets to demonstrate audio capabilities. All booth furnishings, equipment and displays are the responsibility of the Company, must be constructed safely, and must be installed, occupied and dismantled in accordance with O'Reilly's schedule. O'Reilly may refuse permission to exhibit any products or services O'Reilly deems objectionable or unsuitable for the Event. Company shall not assign to a third party its space or any portion of that space without the prior written consent of O'Reilly, which O'Reilly may grant or withhold at its sole discretion. If such permission is given, the Company assumes full responsibility for the conduct of the assignee and all its representatives.

COMPANY EVENTS: Company shall not schedule or sponsor any event in connection with the Conference, including without limitation evening events, during a time that overlaps or conflicts with any Conference event published in O'Reilly's Conference schedule.

INDEMNITY AND LIMITATION OF LIABILITY: Neither O'Reilly, any co-sponsor, venue provider nor any of their respective officers, agents, employees, contractors, facilities, representatives or assigns shall be liable for, and Company hereby releases them from, any claims for damage, loss, expense, harm, or injury or death to the person, property or business of the Company and/or any of its visitors, officers, agents, employees, contractors, or other representatives, resulting from theft, fire, earthquake, water, unavailability of the facility, uncontrollable events, third parties, accident or any other reason in connection with the display at the Conference. Under no circumstance will O'Reilly, any co-sponsor, or the venue provider be liable for lost profits or other incidental or consequential damages for any of their acts or omissions whatsoever whether or not appraised of the possibility or likelihood of such damages or lost profits. In no event shall O'Reilly's liability, under any circumstance, exceed the amount actually paid to it by the Company.
